

**Name:** Brietta O'Leary

**IJCC Position:** Vice President

**From:** Killarney, Ireland

**Industry:** Semiconductor Industry

**About:**

Brietta was born and raised in Killarney, and now lives in Hashimoto, Kanagawa with her Japanese husband. She has a bachelor's degree in electronic engineering and a master's in computer science. Her career started out in semiconductor memory industry and that is where she is now after detours into project management and education while prioritizing family and children over career.

Brietta joined the IJCC in 2022 as corporate member, later switching to individual member. She has been on the board since 2023 and accepted a nomination for VP in 2025. Her focus in IJCC has been on including underrepresented groups in the Chamber, starting with women and in 2025 switching focus on the second generation Irish. Her passion for inclusivity is driven by her desire to make even a small change in the inequitable culture still prevalent in Japan and globally.
